**KENNY**

Since 1981, the brand **KENNY** equipment have the will to maintain the “Made in France” know how. We only make a part of Kenny’s products in our factory, but the development and design of our entire collection is entirely made in the heart of our studio in Amiens, in the north of France.

The production unit which is situated close to our design studio, is able to manufacture prototypes, make original designs and prints on textiles and create many items for bike and cycle.

Members of our team that develop new products are the first of passionate riders of their disciplines. They know what to expect in each discipline both as amateurs but also racers of moto, quad or biking.

Our riders also contribute of the evolution of our products. From their experiences in competitive racing our products are put to the test, we learn and make innovations. Our premium range of products is a perfect example.

Every customer is important to us. Novice, confirmed or professional rider we have our heart to give him the best product he needs to succeed on all tracks.

**We remind you that the practice of MX motorbike needs the use of adequate protectors before each use. These protectors must be certified by laboratory data and have a CE mark. You have to use a helmet, boots, back and chest protector, knee guards and elbow guards. Textile apparels such as pants, jersey, jacket, gloves are complementary products used for ease feeling to practice this sport and can absolutly not be considered as personal protective equipment. These protections must be worn for each use and be properly fastened. For kid use, ensure that an adult check correctly safety use. It must be used exclusively for MX and not for on road.**

## PERFORMANCE

FUNCTIONS

- EXTRA WIDE PANO FIELD OF VISION	- ULTRA-WIDE SILICONE HEADBAND FITTED WITH THE CLIP SYSTEM FOR REMOVAL IN 1 CLICK
- ULTRA-IMPACT-RESISTANT HIGH-RESOLUTION PREFORMED SCREEN	- REMOVABLE NOSE PROTECTION
- INCLUDES A CLEAR INJECTED SCREEN	- MULTIPLE ADDITIONAL SCREENS AND TEAR OFF AVAILABLE
- ERGONOMIC AND ABSORBENT TRI-DENSITY FOAM	

LEVEL 1  
ref: 201-0702010

This PERFORMANCE goggles is directly issued from VENTURY. He is more economic but nevertheless, proposed an advanced technology. As VENTURY goggles, his panoramic field of vision offers optimum comfort for the rider and gives a good anticipation to the rider compared to the other goggles on the market. He has a preformed, high resolution injected screen which offers superior impact resistance, with a flexible and ergonomic frame.

You can wear eyes goggles and frame is also equipped with absorbent triple density foam. The ultra wide silicone headband can be removed and reassembled in just one click with clip system. The goggles has a removable nose protection supplied as standard and it also includes a clear screen as well as a protective cover. Pure design, pure technology, pure performance. Performance is already a new benchmark for mid-range goggles on the market.
